

IN THE INFORMATION DISCLOSURE STATEMENT

Applicants would like to thank the Examiner for returning the signed off copy of the Supplemental Information Disclosure Statement mailed March 10, 2004. However, the signed off copy only shows the Examiner's initials next to U.S. Patent No. 5,392,918 to Harrison. The signed off copy of the Supplemental Information Disclosure Statement does not show the Examiner's initials next to the two other references cited in the Supplemental Information Disclosure Statement (U.S. Patent No. 4,595,102 to Cianci et al. and U.S. Patent No. 4,085,845 to Perfect). Applicants respectfully request the Examiner return a signed off copy of the Supplemental Information Disclosure Statement mailed March 10, 2004 that shows the Examiner's initials next to all of the references cited in the Supplemental Information Disclosure Statement.
